Hello Future Bison,

Did you know...

Music Education facilitates student academic achievement:

- ☐ Improves recall and retention of verbal information
- ☐ Advances math achievement
- ☐ Boosts reading and English language arts skills
- ☐ Increases average SAT scores

You will soon be a part of the Bison Band family. As an introduction to the band program at Buffalo Grove High School, I would like to invite you and your child to our first annual Day with the band on Saturday, November 16th. This years event is in a brand new format, described below, that will take the place of 8th grade students simply performing on our concert. This event is only for current BG bound 8th grade students. Don't miss this great opportunity to get to know the high school and become part of the growing future of the BGHS Band Program!
